Checklist: going on holiday with your pet

Going on holiday together? Tick off this list and you'll be well prepared.

Well in advance

- [ ] Look up the country's rules on the government website
- [ ] Microchip works and is registered in your name
- [ ] European pet passport
- [ ] Valid rabies vaccination (after a first shot: wait 21 days)
- [ ] Tapeworm treatment if your destination requires it
- [ ] Protection against diseases at your destination, ask your vet

Packing

- [ ] Food for the whole trip, plus a few extra days
- [ ] Food and water bowls
- [ ] Medication for the whole holiday
- [ ] Lead, harness and a spare tag
- [ ] Bed or blanket that smells of home
- [ ] Poop bags
- [ ] A recent photo of your pet

On the way

- [ ] Enough water and breaks
- [ ] Never alone in a hot car
- [ ] Crate or harness belt in the car

At your destination

- [ ] Looked up a vet nearby
- [ ] Your phone number on the tag is correct
- [ ] Watch out for heat, ticks and toxic plants
