Checklist: a new puppy at home

A puppy is coming! With this list you won't forget a thing, from the bed to the first shot.

Supplies

- [ ] Bed or crate with a soft blanket
- [ ] Food and water bowls
- [ ] The same food the breeder or shelter used
- [ ] Collar or harness and a lead
- [ ] Tag with your phone number
- [ ] Chew toys
- [ ] Poop bags
- [ ] A brush that suits the coat

Around the house

- [ ] Cords and cables out of reach or covered
- [ ] Toxic plants and cleaning products out of reach
- [ ] A gate at the stairs
- [ ] A fixed spot to pee outside

The first week

- [ ] Fixed times for eating, sleeping and peeing
- [ ] Settle in calmly: not lots of visitors right away
- [ ] Practise being alone for short times
- [ ] Find a puppy class

Vet and paperwork

- [ ] Meet your vet
- [ ] Agree on the vaccination schedule: the rounds and the booster
- [ ] Agree on a deworming schedule
- [ ] Have the microchip registered in your name
- [ ] Keep the passport or vaccination booklet safe
- [ ] Consider pet insurance

Wagbook remembers vaccinations, deworming, medication, weight and food for all your pets. Free, no account.
